ASSIGNMENT FOLIO

We take this opportunity to express our sincere gratitude to Dezyne École College for providing us with the knowledge, resources, and guidance essential to the successful completion of this project.

Our deepest thanks to our respected Principal, Dr. Vinita Mathur, for her visionary leadership and continuous encouragement. Her commitment to academic excellence and student growth has been a constant source of motivation and pride.

We are equally thankful to all our faculty members for their consistent support, expert advice, and valuable insights that shaped our learning and helped us achieve this milestone.

Lastly, we extend heartfelt thanks to everyone who directly or indirectly contributed to the success of this project.

We are proud to be part of Dezyne École College, an institution that truly nurtures professionalism, innovation, and purpose.

With sincere appreciation,

Samay Pinjlani
Department of Bachelor of Computer Applications
Dezyne École College, Ajmer

ASSIGNMENT FOLIO

Objective :

Build Subscriber Base, Increase Engagement, Promote Products, Improve Conversions & Maximize ROI

Key Feature :

1. Subscriber List Creation

Created audience list in Mailchimp. Segmented subscribers based on interests and demographics.

2. Email Campaign Setup

Selected regular email campaign and defined campaign name, audience, and subject line with strong CTA.

3. Email Designing

Designed responsive email using drag-and-drop builder. Added logo, banner image, product details, and clear Call-to-Action buttons.

4. Test Email & Optimization

Sent test emails to check layout, links, subject line, and mobile responsiveness.

5. Final Publication & Performance Tracking

Scheduled and sent final campaign. Monitored open rate, click-through rate (CTR), and conversions.

Create Journey

Landing page

Create a landing page that lets people sign up to receive product promotions or discounts.

Build Landing Page

Email Design Method Selection

How do you want to design your email?

A diagram showing a blank canvas with dashed lines indicating the layout of an email, including a header, main content area, and footer. A plus sign icon is centered in the main content area. A blue 'FREE' tag is in the top right corner.

From scratch

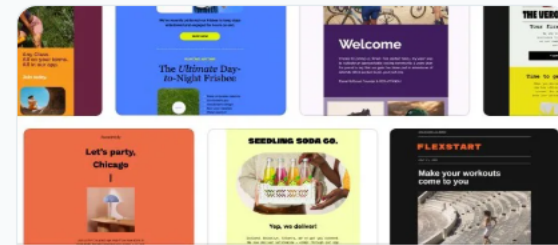

Begin with a blank canvas to fully customize your email's design and content.

A collection of email layout templates showing various arrangements of text, images, and buttons. A blue 'FREE' tag is in the top right corner.

Basic layout

Start with basic elements to easily manipulate content and quickly shape your message.

A collection of fully designed email templates with various themes, including a 'Welcome' message, a 'Let's party, Chicago' invitation, and a 'Seedling Soar Go' announcement. A blue 'FREE' tag is in the top right corner.

Fully designed template

Choose a professionally designed template and adjust it to your needs with ease.

Organize your contacts

We recommend adding and keeping all your contacts in one audience. It'll make it easier to send personalized marketing, and to maintain your contact data as you grow.

Tag your contacts

Tags are labels you create to differentiate your contacts. You can use tags to send personalized marketing, create a segment or to set up an automation. Any tags you add or create here will appear in your contacts table after your import is complete.

Let's make sure your data transfers correctly.

Each column from your file needs to be matched to a field in Mailchimp. Select the columns you want to import and update any that are not mapped.

3/3 columns will be imported. [Show unmatched columns only](#)

Import Confirmation

Subscribe contacts to marketing

The status you assign to the contacts in this file will only be applied to new contacts. Existing contacts will not have their subscription status updated, but any other data that may have changed will be updated.

 [Understand the importance of permission](#)

*Select email marketing status

Required

Subscribed 

When you choose the "Subscribed" status for your contacts, it indicates that you've gained permission to market to them.

These imported contacts will not receive a confirmation email or SMS notification from Mailchimp. Since you're adding them manually, they won't have an opt-in IP address or date in your records, so be extra sure you have permission first.

Finalize import

Review and complete your import

6 contacts will be updated or added to your "CulVia Luxury" audience.

- Imported from: Copy and paste
- Email marketing status: Subscribed
- Update existing contacts: Yes
- Tagged: Customer, 2026

The maximum number of contacts allowed on your Free plan is 250. If you go beyond 250 contacts with this import, your ability to send email campaigns may be impacted.
