ASSIGNMENT FOLIO

We take this opportunity to express our sincere gratitude to Dezyne École College for providing us with the knowledge, resources, and guidance essential to the successful completion of this project.

Our deepest thanks to our respected Principal, Dr. Vinita Mathur, for her visionary leadership and continuous encouragement. Her commitment to academic excellence and student growth has been a constant source of motivation and pride.

We are equally thankful to all our faculty members for their consistent support, expert advice, and valuable insights that shaped our learning and helped us achieve this milestone.

Lastly, we extend heartfelt thanks to everyone who directly or indirectly contributed to the success of this project.

We are proud to be part of Dezyne École College, an institution that truly nurtures professionalism, innovation, and purpose.

With sincere appreciation,

Samay Pinjlani
Department of Bachelor of Computer Applications

The image shows a woman in a blue sari with gold jewelry, smiling as she lights a diya. In the foreground, there are several lit diyas and orange marigold flowers. A smartphone is overlaid on the right side of the image, displaying a Google search for 'Tealight Holder'. The search results show two sponsored listings for 'Tealight Holder' from 'Home Decor Store', each priced at ₹800 and ₹900 respectively, with 5-star ratings and 'Shop now' buttons. Below the listings, there is a banner for 'Home Decor Store' offering 50% off. At the bottom right of the smartphone screen, there is a speech bubble that says: 'I'm powered by Google AI. Together, we can use Google Ads to grow your business.'

Customer acquisition

☐ Only bid for new customers

Your campaign will be limited to only new customers, regardless of your bid strategy

By default, your campaign bids equally for new and existing customers. However, you can configure your customer acquisition settings to optimise for acquiring new customers. [Learn more about customer acquisition](#)

Customer retention

☐ Adjust your bidding to help re-engage lapsed customers

You can't bid higher for lapsed customers because you don't have a purchase goal in your account. Add a purchase goal to run campaigns that bid higher for specific customer types.

By default, your campaign does not adjust bidding to win back lapsed customers. However, you can configure your customer retention settings to optimise for winning back lapsed customers.
